CEO/FOUNDING ATTORNEY

April 2026

April often brings a sense of reset, but after a car accident, things can feel anything but clear. Between vehicle damage, insurance calls, and questions about what comes next, small decisions can carry real weight. At Blaszkow Legal, we work with injury victims across Alexandria who want direct answers and a plan that puts them back in control.

In this month's featured blog, [**9 Questions To Ask Your Car Accident Lawyer**](#), we break down the conversations that matter before you hire an attorney. From how cases are handled and what communication looks like, to fees, timelines, and trial readiness, the right questions can reveal whether a lawyer is prepared to move your case forward the right way. This article helps you evaluate your options so you can choose representation with confidence.

Our featured video, [**How are the repairs to my vehicle handled after a car accident**](#), walks through what happens after the crash when it comes to fixing your car. From working with insurance adjusters to choosing repair shops and handling delays or disputes, the video explains what to expect and how to avoid common issues. If you have questions after an accident or want guidance on your next step, contact Blaszkow Legal to talk through your situation.

BLOG OF THE MONTH

9 Questions To Ask Your Car Accident Lawyer

Two attorneys can have identical credentials, comparable experience, and similar success rates, yet one becomes your ideal partner while the other creates constant friction and frustration. Beyond technical competence, the fit between your personality, communication preferences, and working style with your attorney's approach determines whether your legal journey feels supported or stressful. Finding representation that matches who you are as a person makes navigating an already difficult situation significantly more manageable.

CLIENT REVIEW

Mr Cory who handed my case is very informative patient and professional. He did go above and beyond in my case. Very satisfied and will definitely recommend friends.
